PRICE LIST

of the

SANTA BARBARA NURSERY CO.

FALL 1908

SPRING 1909

Nursery located at Goleta, seven miles west of Santa
Barbara, on Hollister Avenue

SANTA BARBARA NURSERY CO.

To Correspondents

In presenting this list to you, we wish to say that our stock of **Trees**, **Shrubs**, and **Plants** is in the best possible condition, grown either in open ground or clay pots. No tin cans used. Stock is bright and thrifty and sure to give satisfaction.

In ordering be sure to state how stock is to be shipped, either by freight or express. If not stated, we will use our own best judgment in forwarding.

We warrant our stock true to label and in healthy growing condition, but will not hold ourselves responsible for safe arrival of shipment.

Should errors occur, kindly notify us at once.

Packing will be charged at cost. No charges for cartage to freight or express offices.

Remittance may be made by draft on Santa Barbara, Wells-Fargo, or Post Office Money Orders payable at Goleta.

SANTA BARBARA, CAL.

PALMS

We have an immense stock both in open field and under lath field, grown without irrigation, enabling us to furnish hardy, thrifty and easily transplanted stock.
